

HALAL INDIA PRIVATE LIMITED

DOC NO:HIPL-CD-IP5.2.5 | ISSUE 01 | REVISION 00 | 01 AUGUST 2021

IMPARTIALITY POLICY

HIPL is committed that all employees will remain impartial, and independent during the operations of Halal product certification activities of the organization.

HIPL and its employees will remain impartial during the operation of certification requirements of Halal standards GSO 2055-2:2021/ UAE.S.2055-2:2016, OIC/ SMIIC 2:2019 along with conformity assessment (ISO/IEC 17065:2012), and Accreditation Body requirements.

HIPL and its Audit team, technical auditors, and Shariah experts understand the importance of integrity, impartiality and potential conflicts of interest in carrying out its Halal certification processes for products that comply with the requirements of Islamic Shariah and will meet the requirements provided in the respective approved Halal standards/ respective HIPL Halal Product Certification Scheme(s).

HIPL management has formed a Committee for Safeguarding Impartiality which comprises of external members from different professions like finance, legal, technical, Halal Islamic Affair (Shariah) Expert, and an external Chairperson. This meeting is yearly organized by the CEO of Halal India Private Limited.

HIPL management will conduct an annual potential risk assessment on impartiality and conflict of interest, and this will be reviewed by the Impartiality Safeguard committee, which is an independent committee.

Conflict of interest and objectivity is addressed in contractually binding agreements so that all Halal service and product certification activities are conducted in an impartial manner.

HIPL aims to inspire confidence in its Halal certification to its clients by being impartial, providing competent technical auditors, technical experts if required and Halal Islamic affairs (Shariah) experts being responsive to complaints, providing access to the relevant information gathered, being open, fairness, transparency of processes, and maintaining confidentiality.
